

Registration

Registration

We will email each DCM a registration template to use for registration. Participants must register through you. **Deadline for registrations is December 1.** As a part of their initial registration, all participants are asked to register for their first choice of the five workshops and for the hands on ministry projects on Thursday afternoon if they want to participate. It would be helpful if you could check to be sure each person has listed their workshop choices. If you have more than 18 persons, just add pages to the template.

For persons desiring to stay alone in a room, the additional cost is \$228 which must be paid at the time of the initial registration. For a spouse to join one of the 18 free registrations, the supplement is \$320 [includes the provided meals], also due at the time of initial registration. Costs for participants beyond the 18 free registrations are:

Single room — \$550

Double room — \$320 per person

Spouse accompanying participant — \$320

Commuter rate —\$150 above the 18 free registrations [includes registration and two meals]

Registrations for these participants also must come through you.

Please send us the information for all your participants at the same time by email or snail mail on the form we've provided and, at the same time by snail mail, a check for any single room supplements, accompanying spouses and any registrations above the 18 free ones.

Transportation Supplement

Once again we anticipate providing each Conference with an amount of money for transportation costs. An amount of \$20,000 is allotted to each jurisdiction, and the Jurisdictional DCM Group will decide how it will be allocated.

Ideas on Choosing Whom to Invite

At the end of each workshop there is a listing of the audience for that workshop. Those will help you think about possible persons/positions whom you might want to invite. Another suggestion from the DCMs on the Design Team was that they were also thinking about inviting some younger potential leaders to be a part of their conference group.

Spouse accompanying participant — \$320

Commuter rate — \$150 above the 18 free registrations [includes registration and two meals]

Registrations for these participants also must come through you.

Please send us the information for all your participants at the same time by email or snail mail on the form we've provided and, at the same time by snail mail, a check for any single room supplements, accompanying spouses and any registrations above the 18 free ones.
